Installation Essentials

Engineered & Solid Sundries			Specifications		Unit Cost
SKU#	Profile	Description	Coverage	Quantity Per Unit	
70ABUP		Aqua Bar Underlayment Membrane (B) Paper Is an extremely effective vapor retarder for use under solid and engineered wood flooring. It is cleaner and easier to handle when compared to roofing felt or ploy film. Aqua bar "B" slows moisture migration down and is a superior vapor retarder. It is not a waterproof membrane.	500 Sq. Ft. Per Roll (Coverage 425 SF. Per Roll If Overlapped 6")	1	\$24.51
71SPLINE		Solid Or Engineered Splines Hardwood flooring slip tongue/splines are used by wood flooring installers to change direction in the laying of tongue and groove wood flooring. Be sure to specify what product you need the splines for.	50 Linear Feet Available Thickness 3.25mm, 3.5mm, 4.25mm, 5.25mm, 6.25mm	25 PC X 24" Lengths	\$23.13
72PWA		NFP Premium Wood Adhesive (PVA) This is ideal for gluing together engineered tongue and groove floating floors because of it's strong initial tack, Quick set-speed, superior 3750 PSI bond strength and excellent sandability.	For Flooring Material 5" Wide x 1/2" Thick 65-75 SQ. FT. Per Bottle	16 Oz Per Bottle 16 Bottles Per Case	\$8.93
74PLPPA		PL Premium Polyurethane Adhesive Premium Polyurethane Construction Adhesive is a one component, polyurethane based, moisture-curing adhesive. It is VOC compliant. This adhesive has superior adhesion to most common construction materials and is three times as strong as conventional solvent based construction adhesives. It is paintable and cures even in cold temperatures, which makes it ideal for sub floors and stair tread installations.	Installs 3 -6 36" Treads And Risers.	28 OZ Tubes	\$8.48
75TMSP		Taylor MS Plus Advance Wood Floor Adhesive Taylor MS Plus wood flooring adhesive with Meta-tec® technology, is a one component 100% solids, cross linking, MS polymer-based adhesive formulated for the interior installation of engineered wood plank, acrylic impregnated plank, bamboo and pre-finished and unfinished solid wood flooring. MS Plus also has good concrete moisture inhibition capability as well as good sound reduction properties.	175-200 Sq. Ft. Per Pail For Regular Glue Down 110-125 SQ. FT. Per Pail For Moisture Block And Glue Down	4 Gallon Pails	\$167.50
77WMM		Wagner Moisture Meter MMC220 Our most popular model for wood flooring and woodworking applications. The MMC220 moisture meter is ideal for measuring moisture in all wood species; from rare tropical species to domestic species. For flooring or cabinet installers, manufacturers, inspectors or lumber suppliers; the MMC220 offers a complete and portable solution. It's easy to use and programmable to multiple species or ranges. Wagner Meters' IntelliSense™ Technology ensures that the MMC220 measures deeply INSIDE the wood for a true moisture reading without damage to the wood surface and without interference from surface moisture.	Comes with 1 MMC200 Moisture Meter, 1 Heavy Duty Nylon Carrying Case, Complete Guide	1 Meter	\$368.75

Please Note: All prices, material dimensions, finish type, hand scraping/distressing are subject to change without prior notice. Please verify all product dimensions, stain color, and finish texture prior to ordering.

Installation Essentials

Pieces Sold Separately			Specifications	Unit Cost
SKU#	Profile	Description	Contents	
80TAS		Zenith Tibet Almond Stick This product works miracles on white surface scratches. Simply rub the stick along the scratch and it disappears! Will not damage the finish, making it ideal for all types of wood flooring or furniture. Not recommended for gouges, deep scratches or for use on bleached surfaces.	Package Includes: 1- 2-7/8" x 1" Almond stick packaged in a sealed metal can.	\$9.38
81FTM		Furniture Touch-up Markers Instantly hide nicks & scratches on wood, wood-veneer furniture and wood trims. Simple to apply - just draw over the scratch, scuff, or discolored spot & watch them disappear permanently. The tight-seal cap keeps markers fresh and colors vibrant.	Available In The Following Stain Options: (Natural Tones Light Oak, Natural Oak) (Red Tones Cherry Mahogany, Natural Cherry) (Dark Tones Dark Mahogany)	\$4.24
89FBRD		FortiBoard Floor Protection System Designed & engineered with Contractors in mind. This non-corrugated, heavy duty floor protection material has excellent water resistance, is lighter weight than other competitive floor protection boards and is made from 100% recycled materials. Rolls out flat and fast and may contribute up to 2 LEED points toward USGBC Certification.	Package Includes: 1 - Roll 38" x100' Coverage: 317 SQ. FT. per roll	\$47.46
90TSL		Radiant Heat Sensor Labels These WarmMark Time/Temperature indicators are required for all wood floors installed over radiant heat substrates. These devices monitor whether a product has been exposed to temperatures above a 86 degree threshold. For proper installation, place directly over heat source and 4' away from exterior walls.	Package Includes: 2 - Temperature sensors 1 is required for every 300 SQ. FT. Size: 3/4" X 1 3/4"	\$9.99
91CCK		Care Kit (À la carte) A basic care kit for Hardwood, Laminate, or LVP/WPC. The kit offers a technical guide for understanding the new flooring and several basic supplies for care and maintenance.	Kit Includes: 1- Tibet Almond Stick 1 - Pack of Heavy Duty Polyester Furniture Pads (3 sizes) Furniture Touch-Up Marker(s) Comprehensive Guide to Flooring Ownership	\$14.99 Includes Shipping ----- \$7.99 With Order
92DT	NFP Display Tower 1 Complete NFP Display Tower. Displays 10 Samples 18 X 18.		Display Includes: 1 Display Tower, 10 Metal Shelves, NFP Header	\$99.00
93PBK	NFP Price Book Binder 1 Complete NFP Price Book. With All Product Guides.		Binder Includes: 1 - NFP Price Book, NFP Product Lineup Booklet, 4 Manufacturer Complete Product Guides	\$11.75
94CIG	NFP Complete Installation Guides		Installation Guides Available : Wood Guide, TC Laminate Guide, TC WPC Guide, TC SPC Guide	Free
95PLB	NFP Product Lineup Brochure		Product Brochure: 48 Page Brochure With Photos & Labels Of Actual Samples. Products Are Broken Into Sets For Easy Ordering.	\$3.00
96PSS	Underlayment Padding Sample Set		Underlayment Chain Set Includes: Complete NFP Underlayment and Padding Options #57 to #62.	\$5.00

Please Note: All prices, material dimensions, finish type, hand scraping/distressing are subject to change without prior notice. Please verify all product dimensions, stain color, and finish texture prior to ordering.
